DETAILED ACTION

Election/Restrictions

Restriction to one of the following inventions is required under 35 U.S.C. 121:

- I. Claims 1, 5, 15-22 and 26 (all in part), 2, 4, 6, 8, 9, 11, 12, 14, 23, 25, 27, and 29, drawn to a method of treating male sexual dysfunction comprising administering to a host a Dopamine D₄ receptor agonist, classified in class 514, subclass 249, for example.
- II. Claims 1, 5, 15-22 and 26 (all in part), 3, 7, 10, 13, 24 and 28, drawn to a method of treating female sexual dysfunction comprising administering to a host a Dopamine D₄ receptor agonist, classified in class 514, subclass 249, for example.
- III. Claim 30, drawn to a method of treating erectile dysfunction comprising administering to a host a Dopamine D₄ receptor agonist in combination with a PDE5 antagonist or an adrenoceptor antagonist, classified in class 514, subclass 249 and 253, for example.

Inventions I-III are unrelated. Inventions are unrelated if it can be shown that they are not disclosed as capable of use together and they have different modes of operation, different functions, or different effects (MPEP § 806.04, MPEP § 808.01). In the instant case the different inventions I and II as well as inventions II and III have different functions. Inventions I and III have different modes of operation.

Because these inventions are distinct for the reasons given above and have acquired a separate status in the art because of their recognized divergent subject matter, restriction for examination purposes as indicated is proper.

Art Unit: 1617

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

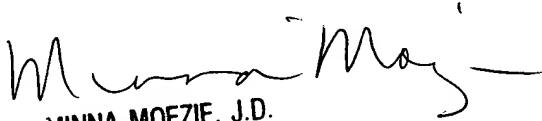

Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).
